Hello Maggie

Just confirming our meeting for next Thursday at 1pm
When we meet I will let you and Monica do the talking. Then I will further answer any questions on the way back to Wagga.

It is my understanding that you will give me \$2000 and I will in turn hand that to Tim a little later. I further understand that i am to return \$1000 if the placement doesn't occur

After that i think we can look forward to a placement as quickly as you desire.
I have also investigated a placement with a local supermarket, privately owned. They have approx 100 employees and are a private company. Their type of work lends itself to a number of areas
Looking forward to seeing you Thursday
