Dear Daryl,

I wish you a Joyous and Merry Christmas and wish to thank you from the bottom of my heart for your kindness and helpfulness in 2017.

The people of NSW, including me are most fortunate to have you representing them. As are the Pacific and Asia fortunate to have you batting for them!

It is refreshing to see your 'no nonsense', 'common sense', 'can do' approach.

You are the best.

Warm regards

*Louise*
