Hi Daryl

Hope you had a nice weekend.

Jimmy has two important customers who are also his good friends for years from china and would like to visit NSW parliament and have lunch there if possible. Jimmy will then take them to Tamworth to visit our Currabubula station in the afternoon.

We believe there will be some business opportunities as they both have big online business in China.

Can you please help arrange the visit / lunch at the parliament house and advise if it's possible?

Thank you.
