Good Morning Secretary General Zhou , you may remember we met at the Shanghai (This Is Australia exhibition )with Dolly Fu and others .

I need your assistance to help a local Australian company who is exporting Oaten Hay to Shanghai China in Partnership with Shanghai Dairy Group , which is a subsidiary of Bright foods China . Bright foods own 51% through SDG , UWE 49% . The partnership has been a great success however now the management of Bright foods has changed and there is indecision and lack of planning and direction for UWE. Also UWE rely on SGD to help fund the purchase of fodder from farmers in advance of crop harvest to ensure a constant supply for the processing factory in the Riverina. This is causing great distress to UWE and I seek your assistance to contact the National Asset Management group Shanghai to ask questions about the delays and lack of decisions to assist UWE meet their obligations in Australia . UWE employ staff , contract farmers , engineers ect and all this is at risk because of Bright foods lack of direction and their Indecision . Jimmy Liu is the Chairman of UWE , I have ccd him in this email , his mobile is [REDACTED] , email [jimmy@uwecommodities.com](mailto:jimmy@uwecommodities.com) , he waits for your contact and will brief you on the situation , best wishes and many thanks in anticipation ,

Daryl Maguire MP Wagga Wagga .
