Second was a missed call (s) from Angela to do with local liberals. He presumed it was to do with membership appln and thought I was a member and would know. Also he us away now for 2 weeks and finally I had contact with Maggie and she said things were ok as I sent you via email. He said he is going to ask Alan and let me know. I will wait and see. By the way about 2 months ago you mentioned Julian malnick mt adrah gold. However didn't get chance to meet him. Just wondering if I could contact him? Maybe better if you introduce me to him again? The Chinese person I am working on has experience in investing mining in China. So maybe opportunities here.
