Good morning Michael

Could you please give me a call regarding ACTA.

The Office of Regional Development has been requested to lead the project to update the business project. Before I have a discussion with Tony Turner about the requirement to further develop the business case, I need to know what he has been advised since the the Government's Economic Review Committee/INSW (unsure which one) determined that the business case had to be reviewed or redone.

Regards

Margaret O'Dwyer | Regional Manager South West
