Dear Daryl Maguire,

Hope you come back from a successful China visit all right.

I write to introduce a Chinese lady Maggie Wang, who is now naturalized in Australia, and working and living in Sydney. She also does business projects between China and Australia. I think she should get associated with people like you. I'd recommend her to get in touch, go and visit with you when you have free time. She is friend!

Her phone number is [REDACTED] 6099, her private email address is: perigee7@[REDACTED]

All the best.

Du Wei
