It was strange as Cheryl called me to say that Amber was in reception to see me when I went to reception it was Maggie looking very uncomfortable I asked what she was doing here and she said it was to make sure that I was ok as I had tried to call her when she was overseas regarding Amber. I stated that

Everything was ok and asked if there was anything else, she just looked at me. I said good bye and walked upstairs to my office.

Five minutes later Cheryl called to say that Amber (Maggie) had returned. I walked down to reception to meet her. She was agitated, she pulled out an immigration document and said that she wasn't aware that what she was doing was wrong. She said that if anyone asked there had never been an agreement. I asked her if anyone would ask and she said that she didn't know. I asked her if that was all + said good by returning to my office.
