MAGUIRE TO VASEY

MAGUIRE: DARYL MAGUIRE

VASEY: SARAH VASEY

VASEY: Hello, how are you?

MAGUIRE: Hello, good darl, how are you?

VASEY: Yeah not too bad.

MAGUIRE: That's good.

VASEY: Just calling because I've been speaking with Helen. Um -

MAGUIRE: Yeah.

VASEY: - I've got an app to download to get your contacts -

MAGUIRE: Good

VASEY: - for you um, so I'll do that. Um, but the other thing is, is um you've, yesterday you signed a document to say that to wipe the hard, your hard drive, your computer.

MAGUIRE: Yeah.

VASEY: Yep.

MAGUIRE: Mmm.

VASEY: Um, that will effectively do all of our computers so all the constituent stuff that we've been

working on in the interim ah, will get wiped and it will -

MAGUIRE: Oh.

VASEY: - yeah. That's what – I don't know how well she explained it or whatever, but -

MAGUIRE: Well why can't they just wipe my crap?

VASEY: Um, because that's just not how they do it. So what I – and if you want any email contact that you ever emailed from the Parliament one, that, you'll lose all that. So I've asked Helen if it's possible that we could get everything backed up onto a hard drive so then we can access it and it can still – everything can then still get wiped and we just need to plug in this um, hard drive and it's all there and in case you ever want to go back to any of your Outlook contacts that you've emailed in the past, you've got access to that.

MAGUIRE: It all seems a bit hard to me.

VASEY: [Laughs] My ways are easy, the one that I've suggested that um, just now. Just have everything backed up onto a hard drive.

MAGUIRE: But they can put that on a stick or something can't they?

VASEY: Yeah, yeah that's what I mean. Like they put it on a stick.

MAGUIRE: Okay well do that, do that yeah okay do that.

VASEY: Okay I'll -

MAGUIRE: Yep.

VASEY: - get um, Meagan to just re-chop the paperwork and that way we can have everything backed up and then if ever you (unintelligible).

MAGUIRE: Correct yeah get it done why you're there yeah, yeah. Yeah okay, yeah you don't want to wipe everything, all your records and stuff that's crazy. It's only my crap you want to get rid of.

VASEY: Yeah, that's yeah, they weren't sure if you understood that or they probably didn't explain it that well um, just that yeah.

MAGUIRE: I was only talking about my computers, you know, um you know stuff that I've used. I mean you girls need your records.

VASEY: Yeah no um, as soon as they delete anything -

MAGUIRE: But if they put on the stick, if they put it on the stick then they clean it and you girls can reload it or do something.

VASEY: Yes.

MAGUIRE: Okay right go ahead -

VASEY: Alright.

MAGUIRE: - and do that.

VASEY: Okay I'll get -

MAGUIRE: Alright that's sensible.

VASEY: - the paper, paperwork resigned. I'll just get Meagan to chop it.

MAGUIRE: Alright that's sensible.

VASEY: Cool. Alright, um and I'm -

MAGUIRE: Everything else good?

VASEY: Yeah I've got some files that I'll need to bring home um -

MAGUIRE: Yeah.

VASEY: - for you. There's some um stuff that we brought up the last time we were here.

MAGUIRE: Right.

VASEY: Um, so I'll bring that to you -

MAGUIRE: Okay, yep.

VASEY: - and then there's some other paperwork um -

MAGUIRE: Right.

VASEY: - that I'm just not sure of and -

MAGUIRE: Yep.

VASEY: - I'm still combing through the office to see what -

VASEY: Um, not quite.

MAGUIRE: Oh okay, alright. Alright darl good.

VASEY: You've got a lot of stuff.

MAGUIRE: I'll see you later then. Yeah, but don't be frightened of turfing crap alright 'cause there's a lot of crap in there.

VASEY: Yep, I know -

MAGUIRE: Alright.

VASEY: - not that busy.

MAGUIRE: Yep alright, see you later.

VASEY: Thanks bye.

MAGUIRE: Bye, bye.
