frightened I'll blow up the place". And he said "Well look, you know, it just would be good". I said but needs to go and solve his problem, you know.

BEREJIKLIAN: Mmm.

MAGUIRE: He can just mention it, what's the point and um, anyway I said "I'll go where I please". I said "But if you manage to get some movement and get some, a result" I said "I don't want to go". I said "I don't want to go, but you know what, I'm not gonna let this company fold and, and go under".

BEREJIKLIAN: Mmm.

MAGUIRE: And he said "They don't get it, that's their trouble".

BEREJIKLIAN: Mmm.

MAGUIRE: It's all about their Minister and um, so anyway so the um, so that was Sarah's call that she must've got him to do. (Laughs).

BEREJIKLIAN: Mmm.

MAGUIRE: Anyway, it doesn't matter. But they've, they've made some progress which is real good so.

MAGUIRE: That's why I'm pushing.

BEREJIKLIAN: It might get fixed.

MAGUIRE: Well I'm hoping, that's what I'm pushing them for.

BEREJIKLIAN: Yeah and then well you, you need to te – yeah but, you can't make them think that you're gonna go regardless. Just say well if you fix it I won't need to go.

MAGUIRE: I told him, that's what I told him.

BEREJIKLIAN: Oh good, oh good.

MAGUIRE: I said what if you fix it, you know, but trouble is I said well, they said "Oh we just don't want you there when the Minister's there right".

MAGUIRE: Yeah that's right. I mean the thing is I said you know, this has got bigger ramifications you know why? There's a DA in for Patricks and Linkt and -

BEREJIKLIAN: Mmm.

MAGUIRE: - and UWE is the anchor pin in the DA application.

BEREJIKLIAN: Mmm.

MAGUIRE: So the whole damn intermodal will fucking fall over and then you won't have Whelan Trade there, who are a Chinese company that invested millions -

BEREJIKLIAN: Mmm.

MAGUIRE: - and you're gonna lose 40 fucking jobs. So not only 20, you'll lose 40 and, and it'll be a laughing stock and our Minister stood there and cut the ribbon. Hello.

BEREJIKLIAN: Mmm.

MAGUIRE: Oh right. So, they don't get it.
