Dear Mr Maguire *Daryl*

I write in response to your representations of 16 May 2013, on behalf of the Australian Clay Target Association (Mr Chris Gibson, Executive Officer), regarding a request for funding to assist with the construction of an International Standard Clay Target (ISCT) facility in Wagga Wagga.

As you are aware, Sport and Recreation provided to NSW Treasury a list of its funding priorities for 2013/14, which included the Association's proposal to construct an ISCT facility in Wagga Wagga.

The NSW Treasurer has now delivered the NSW Government's priorities and projects to be funded in 2013/14. Unfortunately, this proposal was not part of the Treasurer's announcement and, I regret to inform you, funds have not been made available to assist with this project.

As you can appreciate, Sport and Recreation receives many requests for assistance from across New South Wales for a diverse range of projects and programs.

The NSW Government values the considerable contribution sport and recreation makes to our society but it is simply not possible to meet every request for assistance.

Mr Gibson may wish to contact Mr Paul Doorn, Executive Director, Sport and Recreation on (02) 9006 3867, should he require any additional information.

Yours sincerely

Graham Annesley MP
Minister for Sport and Recreation
