Hi Sharon

We did write something previously. This was before FNOSI. I think we put it up as a NPP and it was knocked back. Probably best to draft something along the lines of 'Future needs of sporting infrastructure study...'

Hi Paul, Please see attached letter from the Member for Wagga regarding the Australian Caly Target Association request for funding for the ISSF Facilities, new clubhouse and office. Minister's Office has requested a response by 17/2/16. I briefly remembered that something like this was being dealt with you previously. Were you working on something to do with this? Can you let me know details please.

Sharon
