Hi Jane

Happy new year, and I hope you had a good break.

Thanks for letting me know. It would be good to catch up next week, and I can introduce you to Peter Minucos who has recently joined our office.

Peter will be looking after the regional development / regional infrastructure space.

Do you have any time on Monday afternoon? We can come across to you.

Thanks
Laura

Hi Laura

Touching base regarding the Clay Target facility proposal. I understand from my colleagues in Sport that the DP's office has agreed we will take the lead in supporting the development of this proposal.

We are working on this and I am available to discuss this at any stage

Regards

Jane
