Subject: heads up...wagga

Clive: Fiona asked me to followup with INSW where the Wagga Clay target project is up to as the local member has asked. INSW advised this morning that the paperwork has been with Treasurer since 2 June. (can imagine he has been quite busy). Once signed the draft deed and accompanying letter will go out from INSW.

Just wanted you in the loop given Premier's interest

Cheers Gary

PS. Met with Ken and Don today and will try to catch you when you have a spare 30 mins. I started pushing them into the new funding model and INSW's agreed new approach which they will be happy to take credit for

Cheers Gary
