Dear Chris and Peter:

It was nice to meet both of you in China on the 31th of August this year when the Premier invited representative of Wuai group to have formal meeting in Guangzhou. The meeting was very successful and it shows the great support from the NSW government.

Recently, Premier written few letters to Wuai group as well as invited our political leader, party secretary of Liaoning province Mr Wang ming visit NSW. Our political leader Mr Wang happily accepted Premier's invitation will be visiting Sydney on the 30 November.

We are wishing the delegation will have the opportunity to meet the premier on the 30th November 10am in the morning and wish Premier will host a lunch function for our delegation. Wuai group wish to celebrate their \$400 million dollars investment decision and wish to have signing ceremony witnessed by Premier O'Farrell and Party secretary Wang ming.

Department of foreign affair asked our company to make this arrangement, Mr Maguire encourage us write to you directly.

It is an exciting news for both states and we believe you will provide full support with this arrangement. If you need more information, please do not hesitate to contact me or Mr Maguire.

Regards:
