Hi Daryl,  
Thanks for the email. I had sent an email late last year but guess you have waited for Ministry of Commerce response.

Yes, I had consulted with number of private sectors and government agencies. I will get back to you soon if you can confirm that I move on to facilitate on behalf of Solomon Islands.

Will also respond back on the prospect of buting a Casino.

Cheers,

Jimson

Just a quick note to say hello and enquire about the SAPCDA agreement we discussed. I have not had any communication from the Chamber of Commerce so I guess they don't want to proceed. Can you please advise me if you group are now in a position to sign the document. I am travelling to Samoa, Fiji ,Vanuatu, Tonga, in April to finalise those arrangements with them. I would like Solomon Islands agreement in place soon before I depart.

Also the friends in China wish to explore purchasing a CASINO in Solomon Islands, do you have connections and can you make the necessary introductions in the next few months if necessary. ?

You will be pleased to know I have secured all of the medical equipment requested by The Good Samaritan Hospital and will be sending soon as well as the tools for the number 9 hospital prosthetics ward .

Hope you are well and please respond as soon as you can.
