Subject: Wagga Conservatorium Paperwork

Hi,

After discussions with Monica, we think the best approach is that we prepare paperwork for conservatorium to be reserved for funding from the RCDF, and that we can then address the issue about the current and future commitments from the fund at an ERC down the track.

As I understand it, the paperwork would be a letter from the DP to the Treasurer and Premier, and then a response.

We've asked DPC to prepare the letter, and to talk to Treasury on preparing the response – and then perhaps the Premier, Treasurer and Deputy Premier can discuss tomorrow post Community Cabinet, if there are any concerns on the issue.

Regards,
Matt.
