**Subject:** ACTA Wagga Wagga Facility Upgrade Decision

Hi Jenny,

On August 9, the Treasurer approved for \$5.5 million in Restart funds to be provided to the Australian Clay Target Association for the Wagga Wagga Facility Upgrade, which is to be funded from the Regional Growth: Environment and Tourism Fund.

The funding has been approved to come out of the Regional Growth: Environment and Tourism Fund, as this is what was originally endorsed by ERC.

We are currently in the process of getting the funding deed approved.

Thanks,  
Sonia.
