Thanks Nat,

I won't be able to be there as I am overseas on leave. I'm back on 6th August.

On another note, Sidoti/tannous running candidates against all positions on Canada Bay council.

Hopefully chat when I get back.

Dear State Council Delegate,

You now would have received a significant amount of information regarding the upcoming Party Futures Convention, 22-23 July 2017.

Any modern day political party in today's fast-moving environment and 24-hour media cycle must be willing to more fully engage and empower its members to meet the demands of future electoral contests.

All political organisations need to embrace this change, and the NSW Division of the Liberal Party is no exception nor special case.

This change is necessary and long-overdue for our Division because, without modernisation and member engagement, a political party today will lose its competitive edge and fail to meet the needs and aspirations of its base of supporters.

Democratic reform must become a reality for our great Party to keep winning elections, and to select the best candidates in the field to represent our communities in Parliament.

If you cannot attend both days of the Party Futures Convention, then I urge you to at least attend on the afternoon Sunday session, where democratic reform will be debated and voted on.

I look forward to seeing many of you on the weekend of 22-23 July 2017.

If you have any queries or need any help, please let me know right away.
