It was not a professional services PO, all PO's got knocked back, and a lot has to do with the Samer issue where they want full visibility and access to all buckets. Hence the reason for the new forms as well.</p> <p>For you to walk in and tell me I need to concentrate on my work and stay off my phone was an insult to me. My work does not suffer, I still get all my work done. I never tell you get off your phone when you msg people or watching sport, but for your information, today was my Birthday and all my family local, interstate and overseas were calling and messaging me to wish me for my birthday.</p> <p>For your birthday I never forget 17 July 2018 and always wish you and let you know i am there, but today you really pissed me off!</p> <p>I always support you in the workplace, and cover for you when you feeling like shit or need some time away, I tell you go mate I got everything covered. But for people to come tell me how you tell them all the work you do and I sit there looking pretty, well that hurt mate. What you forget is the people you deal with have been dealing with me for years and know what and how I do, so they know me and all the shit that gets spoken comes back to me, so for it to come out of your mouth the person I bend over to help in the workplace, is a real kick in the teeth. I welcome any person to come forward and say when I have ever said a bad word about you. Mate that has never happened as i counted you as a brother not a work mate.</p> <p>To clear something up i dont talk to anybody about our shit, i ok now Jai very well and i dont trust him so he knows only what i want him to know!</p> <p>I never come down in the last shower dude, so while i turn a blind eye to a lot of shit, you thinking i might be dumb is a mistake on your part.</p> <p>Take some.time to soak.this up mate</p> <p><b>Source Extraction:</b> Physical <b>Message Type:</b> App Message <b>Platform:</b> Mobile</p>
