I am not sure because there are 6 of us and the prospect of getting Leesha's car back is not looking good.

Well if we were getting it back it would not be ready in time; all indications are they are possibly going to write it off.

I am happy to drive, but can only take four in the ute

Will need to discuss with Aleesha tonight!

Moments like these we need a kombi?

Thanks & Regards

Hi everyone

As you would know there is a surprise party planned for Leesh's 40<sup>th</sup> birthday. She thinks she is going to an anniversary party on her actual birthday (Saturday 19<sup>th</sup> March), so to keep her distracted we have created a faux birthday lunch for the day after...of course there will not be a lunch as we will all be celebrating together the night before ☺ but should the conversation come up with Leesh this is what she *THINKS* is happening for her birthday (wink wink).....attached is the invitation I am sending to Leesh. I hope this makes sense lol

Looking forward to doing the Charleston with you all at the real party! ☺

Shandy can you please pass this onto to Tash and Kurt, I only have Tash's work email...thanks

Kel

Kind regards,
